Caroline County Department of Health (136) 403 S. 7th Street, Denton, MD 21629. Main Purpose of Job: An **Environmental Health Specialist Trainee** is the entry level of work at a local health department performing inspections and investigations to ensure compliance with environmental health laws and regulations. Protection of the public health is the main purpose of the Environmental Health Specialist position, protection more desirably obtained through voluntary compliance with the existing regulations or, when necessary, using compliance procedures established in regulation and law. This is an entry level position under close supervision from a higher level Environmental Health Specialist. Education: Determined by the Maryland Board of Environmental Health Specialists under the licensing requirements for Environmental Health Specialists. Experience: None. Licenses, Registrations and Certifications: 1. At the time of hire, candidates for positions in this classification must possess a certificate of eligibility to be licensed as an Environmental Health Specialist from the Maryland Board of Environmental Health Specialists. A copy of your certificate must be attached to the application. 2. Employees in this classification may be assigned duties which require the operation of a motor vehicle. Employees assigned such duties will be required to possess a motor vehicle operator's license valid in the State of Maryland. Selection Process: Applicants who meet the minimum qualifications will be evaluated. The evaluation may be a rating of your application based on your

education, training and experience as they relate to the requirements of the position. Therefore, it is essential that you provide complete and accurate information on your application. Please report all related education, experience, dates and hours of work. For education obtained outside the U.S., a copy of the equivalent American education as determined by a foreign credential evaluation service must accompany the application. All information concerning your qualifications must be submitted by the closing date. We will not consider information submitted after this date. **Benefits:** Contractual employees who work for an agency covered under the State Employee and Retiree Health and Welfare Benefits Program (the Program), have a current employment contract and work 30 or more hours a week (or on average 130 hours per month) may be eligible for subsidized health benefits coverage for themselves and their dependents. As a contractual employee, you will be responsible for paying 25% of the premiums for your medical and prescription coverage, including any eligible dependents you have enrolled. The State of Maryland will subsidize the remaining 75% of the cost for these benefits. You can also elect to enroll in dental coverage, accidental death and dismemberment insurance, and life insurance, but will be responsible to pay the full premium for these benefits. **Further Instructions:** Online application process is STRONGLY preferred. If you are having difficulty with your user account or have general questions about the online application system, please contact the MD Department of Budget and Management, Recruitment and Examination Division at 410-767-4850 or Application.Help@maryland.gov. If online process is not available, please send your paper application to: Maryland Department of Health, Recruitment and Selection Division, 201 W. Preston St., Room 114-B, Baltimore, MD 21201. The paper application must be received by 5 pm, close of business, on the closing date for the recruitment, no postmarks will be accepted. Incorrect application forms will not be accepted. If you need to submit additional information, the preferred method is to upload. If unable to upload, please fax requested information only to 410-333-5689. Appropriate accommodations for individuals with disabilities are available upon request by calling: (410) 767-1251 or MD TTY Relay Service 1-800-735-2258. We thank our Veterans for their service to our country, and encourage them to apply. As an equal opportunity employer Maryland is committed to recruiting, retaining and promoting employees who are reflective of the State's diversity. Should additional information regarding this recruitment be required, please contact the Maryland Department of Health Recruitment and Selection Division at 410-767-1251 or via email at dhmh.jobs@maryland.gov. Choptank Transport (22) **Carrier Sales Support Representative**: Are you searching for a dynamic role that plays off your communication and problem-solving skills? Are you hunting for a stable company that offers growth opportunities and development? As a Carrier Sales Support Representative with Choptank, you'll be talking to lots of potential carriers and negotiating the movement of our customers' freight, while ensuring your carriers know they have your support for anything that might happen along the way. This is your time to let your critical thinking skills shine through. We're not a "one and done" environment, so you are on the front lines of building relationships with those carriers as well. You will also be working with our sales department as well as the rest of your logistics team, so an excellent work ethic and communication skills are key. Worried that you don't know anything about logistics? We will train you! Choptank has a state-of-the-art, award-winning training program crafted to make sure you have all the tools and knowledge you will need to be successful in your new career. (Positive attitude and coachability required). Choptank is a Third Party Logistics (3PL) provider, meaning we bring companies who need to ship products and those with trucks together. Our customers want to focus on crafting and selling their products, not looking for trucks to move it and hoping they get a fair price for the shipping. We take that worry off their plate and get them the best deals in the market. We offer solutions and give them results. For more information on the position, or to submit your application, please visit our online career portal at www.choosechoptank.com.

Echo Hill Outdoor School (703) **Residential Teaching Position. Teacher/Naturalist.** Located on Maryland's Eastern Shore of the Chesapeake Bay. Introduction: Echo Hill Outdoor School (EHOS) has successfully provided over forty-five years of residential and recreational learning experiences. Programs are designed to introduce and acclimate participants to the outdoors and foster respect for and awareness of themselves, each other and their environment. Course areas include: Watershed Ecology of the Chesapeake Bay and its surrounding ecosystems, group and individual development on our low and high element challenge course, and exploration of history and the human environment in the Chesapeake Bay region. The program is flexible and committed to custom designing programs so as to meet the needs of a wide range of students/ participants, typically 3rd through 9th grade, from both public and private schools, as well as college students and adults of all ages. Responsibilities: At EHOS you would teach a variety of classes from all of our curriculum areas. You would also supervise and counsel all aspects of participant residential life during their stay at the school including

overnights in platform tents or dormitories, table-heading at family style meals, and supervision during recreational time and other activities. **Qualifications:** EHOS is seeking motivated, energetic individuals with creativity, commitment and a passion for the outdoors. Experience working with and relating to children and people of all ages is extremely beneficial. A background in Education, Recreation, Environmental or Outdoor Education, Challenge Course facilitation, Psychology, Natural Sciences, Marine Biology, Liberal Arts or related fields is desired. **Compensation:** Starting salary for Teacher/Naturalist is \$250-\$270 per week. Individuals with demonstrated current certification in Wilderness First Responder, Wilderness First Aid, American Red Cross Lifeguard Training, or Valid State Teacher Certification will be considered at a slightly higher starting range. EHOS owned housing and board are a condition of this residential teaching position. Ten-twelve month contracts may be available for interested, committed individuals depending upon future openings, specialized positions available, and satisfactory job performance. A staff excess sickness and accident medical plan is available. **Deadline: Applications are welcome year round. Primary starting dates are in March and late August.** **To Apply:** If you are interested in a challenging and rewarding experience please send cover letter, resume, two written reference letters and three telephone reference contacts to: Betsy Zelter McCown. jobs@ehos.org. Echo Hill Outdoor School, 13655 Bloomingneck Road, Worton Maryland 21678. (410) 348-5880. (Date listed: 2/19/19)

UniSite Design, Inc. (882) is a manufacturer and designer of high-quality commercial grade site furnishings located in Denton, Maryland. We take great pride in designing and manufacturing Victor Stanley products which are one of the finest collections of site and street furnishings (litter receptacles, benches, tables & chairs, picnic tables, bike racks & bollards) in the world. Carefully integrated designs and innovative use of materials and technology embody our commitment to produce durable, strong, functional, attractive and comfortable site furniture. Please visit our online [Career Center](#). We are currently searching for qualified candidates for several positions including: A **Design Engineer** who works directly within the Engineering Department to support our manufacturing facility. They should have the ability to use computer aided design (CAD) modeling and finite element analysis (FEA) software to modify and test designs based on company standards. They are responsible for determining recycle content and performing weight calculations for products. The Design Engineer must demonstrate strong engineering fundamentals. They work together with the Production and Maintenance Departments, Customer Service, and Art Department as well as other staff members. The Engineering Department spans the full spectrum of engineering from industrial design, to design engineering, to manufacturing engineering, to tool design. A **Quality Control Technician** that works closely with the Production and Engineering Departments to ensure quality of all incoming materials and components, work in progress, and finished product. The Technician must be able to work independently in a fast paced production environment. They are responsible for checking physical attributes, verifying dimensions, performing various quality tests, using independent judgment, and clearly documenting specific findings. A Machinist that works in our Maintenance Department to support production needs. The ideal candidate should have the ability to use specialty machine tools, such as lathes, milling machines, and CNC machining centers to produce precision parts. They must have the ability to fabricate and modify parts to make or repair machine tools and maintain industrial machines, applying knowledge of mechanics, shop mathematics, metal properties, layout, and machining procedures. They must possess the ability to write basic CNC programs, modify existing programs, and tend CNC machines. Daily activities will include receiving requests from production, engineering, and other departments for items to be made using specialty machine tools. Among other things, these requests will include custom robot welding fixtures, precision parts, and machine tooling. A **Maintenance Mechanic** that works directly within the Maintenance Department to support production. They perform routine preventative maintenance and ensure that industrial production equipment continues to operate at maximum productivity, quality, and safety. They diagnose, repair, replace and install industrial equipment and machine parts for conveyors, presses, shears, etc. The maintenance mechanic also performs regular facility and building maintenance. A **CNC Machine Tender** that works

directly within the Maintenance Department to support Production. This position is responsible for daily tending of simple CNC processes for our Waterjet and Plasma machines. Daily activities will include receiving requests from Production, Engineering, and other departments for parts to be made. The machine tender must be able to measure parts and quality check them against engineering drawings and specifications. Candidates must be highly motivated, competent, reliable, safe and quality conscious. A **Power Tool Repair Technician** that works directly with the Maintenance Department to support Production. This position is responsible for providing routine preventative maintenance, stocking, and repairing of tools (hand, power, air) and tool systems throughout the factory. They issue and maintain tools, perform daily preventative maintenance (PM) on the air system, manage tool inventory, enter tool information into the asset tracking system, and assist other members of the electric shop as directed. Lastly, we are seeking individuals for various hourly **General Production Positions** (Welder/Material Handler/Loader-Unloader/Wood Assembler) to work in our Production Department. The candidates must be a highly motivated, competent, reliable, safe and quality conscious individual. Our manufacturing positions are physical so the candidate must be able to lift up to 50 lbs., stand for 8 hours, and work in warm conditions during the summer months. Please apply in person or online through our [Career Center](#). UniSite Design, Inc., 1105 Park Lane, Denton, MD 21629. UniSite Design, Inc. is an Equal Opportunity / Affirmative Action employer. All qualified applicants will receive consideration for employment without regard to race, color, age, religion, sex, sexual orientation, gender identity, national origin, disability, or protected veteran status.
