

Gainful Employment Disclosures – 2019

This information sheet is used to meet the gainful employment disclosure requirements as required by the regulations at 34 CFR 668.412(a) per the Department of Education.

Program Name: CT.777 MIG & TIG Welding/Fabrication

This program is designed to be completed in 13 months.

The cost of this program is estimated to be \$ 6431, if completed within normal time.

These costs include estimated tuition, books & supplies, plus additional course fees, if any, for this program. Costs do not include living expenses. These costs were accurate at the time of posting, but may have changed.

Of the students who completed this program within normal time, the typical graduate leaves with \$ 0 of loan debt. This figure represents the median cumulative amount of debt for program graduates who receive Title IV aid, including private, institutional, and Federal loan debt. Chesapeake College does not currently participate in the Federal Direct Loan Program.

Licensure information for this program:

The State of Maryland does not have licensure requirements for this profession.
