for

**Associate of Arts /Exercise Science
Exercise Science Option**

AGREEMENT

WHEREAS Chesapeake College and Salisbury University are committed to expanding educational opportunities, and

WHEREAS the two institutions are committed to providing a smooth transition for students wishing to earn an associate's degree and a baccalaureate degree, and

WHEREAS the intent of the institutions is to avoid duplication of curricula where appropriate within articulated programs of studies, and

WHEREAS the institutions better serve the educational growth of students and the economic development of the community through cooperative educational planning and optimal utilization of community resources,

BE IT HEREWITH RESOLVED that this agreement commits the partners to full support of an articulation process to deliver an Associate-Baccalaureate Program in Exercise Science (Exercise Science Option).

PROVISIONS OF THE AGREEMENT

1. This program articulation agreement applies to Chesapeake College's Associate of Arts Degree in Health, Fitness and Exercise Science (Exercise Science Option) and Salisbury University's Bachelor of Science Degree Program in Exercise Science.
2. The institutions agree to follow the joint program curriculum and course by course articulation delineated in this document.
3. Both educational institutions will cooperate toward developing, disseminating, and presenting the articulated program information to students.
4. Graduates of the Chesapeake College program who have completed the associate's degree in Health, Fitness and Exercise Science (Exercise Science Option) with a cumulative grade point average of 2.0 or higher will automatically be granted admission to Salisbury University as an Exercise Science major.
5. All articulated course credits earned with a C or better will be accepted for transfer according to the program matrix.
6. Students intending to transfer should apply for admission by the priority deadline for the semester for which they intend to enroll.
7. Students are subject to all the policies and procedures of all institutions.
8. Students are subject to all specific policies pertaining to students admitted to the Baccalaureate Degree Program in Exercise Science.
9. This articulation agreement is based on the present curricula contained in this document and it is effective for a five-year period from 2014 to 2019.
10. Either institution at any time may initiate changes to this articulation agreement. Both institutions reserve the right to modify the programs as deemed necessary and agree to inform the appropriate individuals of said changes.

Appendices

As part of this agreement, the following have been included:

1. Course by course articulations (equivalencies), including satisfaction of general education requirements at both Chesapeake College and Salisbury University.
2. Recommended Course Guide for completion of AA and BS requirements.

Appendix 1: Course Equivalencies (including General Education Requirements)

Articulation Agreement

We, the undersigned, agree to the articulation of courses and requirements for the Bachelor of Science degree in Exercise Science offered by Salisbury University, as indicated on the attached.

This agreement represents our understanding that students who adhere to the requirements will have the ability to transfer from the Associate of Arts in Health, Fitness and Exercise Science (Exercise Science Option) offered at Chesapeake College to the Bachelor of Science degree in Exercise Science offered at Salisbury University.

Approval is granted for a five-year term from 2014 through 2019 according to the terms of this agreement by:

Chesapeake College
