Voc Rehab	<input type="checkbox"/> We must have a current 28-1905 on file before we will submit a certification.

PLEASE READ EACH STATEMENT CAREFULLY AND INITIAL AFTER READING:

____ I understand that I am responsible for all debts resulting from reductions or terminations of my enrollment even if the payment was submitted directly to the college on my behalf. If the VA does not pay 100% of my tuition and fees or rescinds payment for any reason, I am responsible for the remaining balance.

____ I understand that if my percentage of eligibility for VA benefits is not 100%, I must pay the difference at the time of registration. Failure to do so may result in my registration being cancelled.

____ I understand that the VA does not cover classes that are not listed in my Program of Study. I need to pay for those classes, in full, at the time of enrollment.

____ I understand that I must immediately notify Chesapeake's VA Certifying Official of any changes made to my class schedule (add/drop/program change). Failure to notify the Certifying Official may result in me owing the VA for an overpayment. The school automatically notifies the VA of any changes including statuses of Academic Probation and Suspension. If I am recorded as a "no show" for any or all classes or receive an "F" grade for non-attendance, this will be reported to the VA and may result in me owing the VA for tuition, fees and BAH.

____ I understand that in addition to VA Benefits, I am encouraged to apply for federal financial aid at www.fafsa.gov (School code 004650).

____ I understand that if I do not submit transcripts from prior military or previous college courses, before my second semester, my benefits will not be certified until the transcripts have been submitted.

____ I understand that I must submit this form to the Registration Office every semester to have my enrollment certification submitted to the VA.
