Upcoming Programs & Courses

January–April 2026

CHESAPEAKE
COLLEGE

the TODD

PERFORMING ARTS CENTER

Spring 2026 Season

YOUTH ENSEMBLE

Begins Monday, February 2, 6–7:30 p.m.
Todd Performing Arts Center \$150; includes 5 tickets to the Alice's Adventure in Wonderland show

We invite students ages 6 to 12 to join the Todd Center's "Young Animals" Youth Ensemble, led by members of our resident professional ensemble, the Phenomenal Animals. Students will work together to stage an original production of Alice's Adventures in Wonderland. Rehearsals are Monday nights from 6–7:30 p.m.

TRUE CRIME THURSDAY

Thursday, March 12, 7–8:30 p.m.
Todd Performing Arts Center \$20

Join us for an investigation into a true crime led by podcaster Bri Litteral. Help solve the case by eliminating suspects, determining weapons, and mulling over motive. Charcuterie snacks included with your ticket.

ALICE'S ADVENTURES IN WONDERLAND

Friday, March 20, 7 p.m. & Saturday, March 21, 2 p.m.
Cadby Theatre \$10

Join us as three actors bring the story of Alice's adventure down the rabbit hole to life in this madcap experience of absurd comedy and fun.

EASTERN SHORE ARTS FESTIVAL

Saturday, April 11, 12:30–4:30 p.m.
Todd Performing Arts Center FREE

Students artists from across the Shore gather together for a day of dance, visual art, film, and theatre.

TWISTED

Friday, April 17 & Saturday, April 18, 7–9 p.m.
Sunday, April 19, 2–4 p.m.
Todd Performing Arts Center Lobby
\$10 students/\$15 seniors/\$17 adults

This very adult parody tells the story of Disney's Aladdin from Jafar's perspective featuring a host of popular tunes that lifted the cast album into the iTunes charts. Twisted is presented through an arrangement with StarKids Productions and features adult language and themes. Parental discretion is highly advised.

MURDER MYSTERY NIGHT: THE CASE OF THE MISSING DETECTIVE

Friday & Saturday, May 15 & 16, 7 p.m.
Todd Performing Arts Center
\$20 adults, \$15 students

Nina Lou, the world famous girl detective, has gone missing and you must help her intrepid crew of mystery-solving friends discover the secret of the hidden staircase, twisted tree, and oddly placed clock in order to figure out if Nina has fallen victim to foul play. Snacks are included with your ticket.

SUMMER CAMP: COMEDY, ACTING, AND IMPROV

July 7–18, 9 a.m.–3 p.m., Ages 6–3
Todd Performing Arts Center
\$175 one week/\$325 two weeks/\$550 four weeks

Live from Chesapeake College, students work with our team of performers to create an original showcase of sketch comedy and improvised skits. Students develop performing, acting, and writing skills in addition to exploring the parameters of comedy and how to be creative live in front of an audience. Students are divided according to age and skill set to work with peers at their level. **SUMMER CAMP:**

MOVIE-MAKING AND STORYTELLING

July 20–31, 9 a.m.–3 p.m., Ages 6–3
Todd Performing Arts Center
\$175 one week/\$325 two weeks

In this session, students focus on building their narrative skills in order to craft an original movie. Students study the technical elements of film and performance, working with lights, sound, and camera on the Todd Center's stage. Students are divided according to age and skill set to work with peers at their level.

www.chesapeake.edu/tpac

Join the Ensemble! Performers, artists and technicians wanted. Email rthompson@chesapeake.edu to get involved.

Hold your next event at the Todd Performing Arts Center. We're an ideal spot for conferences, meetings, and shows. Email Michelle Hall at mhall@chesapeake.edu for more information.

CERTIFIED NURSING ASSISTANT PROGRAM

2.5-3.5 months / \$2,075 /  / 

(Tuition: In-county \$100, Out-of-county \$105, Out-of-state \$110)

Prepare to apply for MD State certification as both a Certified Nursing Assistant (CNA) and a Geriatric Nursing Assistant (GNA). Students will register for all courses in the program at one time.

PREREQUISITES: College Placement Test for Reading, Career Planning for CNA/GNAs which includes background check and drug screening. Other program requirements prior to clinical:

- Undergo a physical exam and provide proof of up-to-date immunizations or titers that show immunity
- Negative 2-step TB test or chest x-ray
- Current Influenza vaccine

COURSE SEQUENCE: Career Planning for CNAs, Nursing Assistant Theory, Nursing Assistant Clinical, NNAAP Prep

CERTIFIED MEDICINE AIDE

This MD Bd of Nursing (MBON) approved course will train and prepare currently employed MD Certified Nursing Assistants (CNA) and/or Certified Geriatric Nursing Assistants (GNA) for a role in safely administering non-parenteral medications under the supervision of a licensed nurse. The medicine aide course meets MBON requirements which include instruction in both theory and the clinical setting. Students must meet eligibility criteria with drug screen and background check. 100% attendance required.

PREREQUISITES: College Placement Tests for Reading and Arithmetic, CEI-165

Fees: \$745 Tuition: \$50/\$55/\$60

No class 03/29–03/31/24

Section	Sessions	Dates	Days	Times	Room
CEI-269 B	12	03/22–04/21/24	F	4–9 p.m.	HPAC-205

Please note:

Time to complete and approximate costs are based on full-time, in-county, student status, and subject to change based on current tuition and fees. Prerequisites must be completed prior to enrollment in the program. Financial aid availability is a general statement and does not guarantee financial assistance. Please visit www.chesapeake.edu/funds for more information.

PRESIDENT'S MESSAGE

Thank you for choosing Chesapeake College for the next steps in your educational journey. Our course offerings cover a wide variety of career paths and personal enrichment opportunities.

You'll find the perfect fit at Chesapeake if you're advancing your career, working toward a degree, changing careers or just learning a new skill. The Chesapeake community includes industry experts and employers from across the region. Here at Chesapeake you'll learn in modern facilities from knowledgeable instructors in courses designed to help you build a career.

Your success—whether it is transfer to a four-year university or progress in the workforce—is our mission. If you have not yet decided on a course of study, explore our Pathways to find the program that suits your talents and goals.

We're expanding our offerings and developing new programs to meet the needs of our service area. Our investment in workforce training will help you invest in your own future.

Dr. Clifford P. Coppersmith

HIGH SCHOOL DIPLOMA & ENGLISH LANGUAGE SERVICES (CLASES DE INGLÉS)

Classes are held face-to-face in classrooms throughout your community, and online through Zoom. **Participants are required to attend an information session, register, and complete placement testing to identify educational needs prior to enrollment in a class.** Some classes may be divided by student learning level.

Classes meet two days or evenings per week on Monday/Wednesday or Tuesday/Thursday. Self-paced work may be assigned outside of scheduled class hours. **Spring Session runs February 23, 2026 through May 22, 2026. Registration sessions will be held December 8, 2025 through February 6, 2026.**

Summer session to be determined.

PRE-REGISTRATION & PLACEMENT TESTING

\$0 /

Please visit www.chesapeake.edu/ce for more information regarding registration forms, testing locations, and dates.

ESL: BEGINNING THROUGH HIGH INTERMEDIATE LEVEL ENGLISH

\$0 /

Improve English language speaking, listening, reading, writing, and math skills. Workforce preparation skills and the rights and responsibilities of citizenship are incorporated into the class lessons.

Contact: esl@chesapeake.edu | 410-443-1163 *Se habla español.*

ESL: ADVANCED LEVEL ENGLISH FOR ACADEMICS

\$0 /

Transition from basic ESL classes to English for academic and professional purposes. Develop reading and writing skills, improve speaking and listening skills, increase vocabulary (related to academics), learn digital literacy, and learn the rights and responsibilities of citizenship. Assignments will be completed during class and online.

Contact: esl@chesapeake.edu | 410-443-1163 *Se habla español.*

GED®/HIGH SCHOOL DIPLOMA

\$0 /

The objectives of these courses are to improve reading, writing, and math skills, along with workforce skills, in order to achieve a high school diploma, and to perform well on academic assessments like college placement and skilled training or workplace skills tests. Students will work with a Transition Specialist for assistance with planning an academic or career pathway.

Contact: ged@chesapeake.edu | 443-239-1045

NATIONAL EXTERNAL DIPLOMA PROGRAM

\$150 / / Offered Monthly

You've learned from life, now get credit for it! The NEDP is a different way to earn your high school diploma. This hands-on learning program is designed for self-directed individuals who already have life and work experience. Students work independently, building a portfolio in an online program, and meeting with an advisor to review their work. Upon completion, the student is awarded a High school Diploma.

Contact: nedp@chesapeake.edu | 410-200-1714

SKILLED TRAINING CLASSES

Students that qualify during pre-registration and assessment, and express interest in skilled training programs, will receive guidance and assistance with registration and applying for funds to help pay for courses like Electrical, HVAC, Welding, Certified Nursing Assistant, and Early Childhood Teacher. These classes are in addition to Adult Education or ESL classes.

Contact: skilledtrades@chesapeake.edu

DUAL ENROLLMENT AVAILABLE

SMALL BUSINESS DEVELOPMENT CENTER

The Maryland Small Business Development Center (SBDC) is a partnership between the U.S. Small Business Administration and the University of Maryland, College Park. This partnership links private enterprise, government, higher education, and local economic development organizations to provide management training and technical assistance to Maryland's small businesses. MD SBDC training programs are designed for all stages of small business development. Topics range from turning ideas into business plans to developing growth strategies, professional development, and expanding into international trade. Our seminars are affordable and taught by skilled professionals.

MD SBDC consulting services are offered at no cost to the small business enterprise. Our confidential business consulting services assist potential and existing small business owners to develop and refine business plans, solve problems, find sources of capital, and brainstorm innovative strategies to build a strong foundation supporting growth and profitability. To put the SBDC to work for your small business, contact the office nearest you or log onto our state website at www.marylandsbdc.org.

Request an individual business consulting session: mdsbdc.ecenterdirect.com/signup.

ONLINE CHILD CARE COURSES

Noncredit Courses

Classes below offer quick, skill-building opportunities for professional development and continuing education. These courses are offered online in a format convenient for busy lives.

General guidelines for these courses: You will need access to a computer, the internet, and email to take these courses; sufficient computer skills are required, including using a word processing program to write and save your work on your computer. Provide your email address with your registration so we can send you login instructions.

PLEASE NOTE:

- Register for courses at www.chesapeake.edu/ce-search.
- There are no face-to-face meetings.
- Students must provide an email address when they register.
- Once registered, email childcarece@chesapeake.edu for further instructions.
- The weekend before the first class, students receive an email with login info.
- All students are expected to log in as of the first class date.
- Most courses have a required textbook. Purchase books at www.chesapeake.edu/howardccbooks
- **Deadline to register:** 5 days prior to the start date of the class

PRESCHOOL CURRICULUM & ACTIVITIES

Fees: \$280

Become prepared for a position in a child care center or preschool. This certification course satisfies the curriculum half of the MSDE requirement of 90 hours of training for child care teachers and directors working with preschoolers. Basic concepts of curriculum planning and implementation for children three to five years old are introduced. Topics include teaching strategies, environment design, and implementation of best practices in early childhood education. This course and Child Growth & Development 45 hours are required to complete the 90-hour child care certification.

3 HOUR ONLINE CHILD CARE COURSES

These classes are designed to help you get your program aligned with MD EXCELS as well as to help you reach higher MD Child Care Credential levels. These courses are identified by MSDE in the Credential (proposed) modifications for levels 2, 3 and 4, but would benefit all providers. **All students pay course fee.**

- Visit www.chesapeake.edu/ce-search to register for courses.
- You can complete online courses at your own pace, with instructor guidance; each one takes approximately three hours to complete (completion times may vary).
- **OPEN ENTRY ONLINE CLASS:** You may begin a class any time between the first and last class dates.
- Once registered, you must email childcarece@chesapeake.edu for login info.
- You will need access to a computer, the internet, and email to take an online course.
- Please allow up to 5 business days for your account to become active.
- No refunds or transfers.

FAMILY AND COMMUNITY PARTNERSHIPS

Fees: \$65

Learn how to access the many helpful resources that are available right in our community that can benefit children and families, and how to be an advocate for parents and children with ongoing needs related to health, education and referral services. Core of Knowledge: Communication 3 hrs.

ENVIRONMENTAL SCIENCE & AGRICULTURE

With Maryland's only associate degree program in agriculture, Chesapeake College is making an outsized impact on tomorrow's farming, growing, and food production industry. You will learn from professors who can help you make real world connections, whether you choose to take a handful of courses, or earn a college degree.

EARN A DEGREE OR CERTIFICATE

Credit Programs

The following programs operate on a traditional college schedule, with most in-person classes taking place during the day throughout fall and spring semesters. Time to complete and tuition are approximate. See User Guide on page 4 for additional details. Requires college application and admission.

Contact: admissions@chesapeake.edu

AGRICULTURE A.A.S. DEGREE

2 years / \$10,000 /  / 

Prepare to work in animal or plant production, or in a business that supports agriculture. You may choose to pursue your interest in plant science, animal science, soil science, business, or economics related to agriculture.

ENVIRONMENTAL SCIENCE A.S. DEGREE →

2 years / \$10,000 /  / 

Prepare to transfer to a four-year college or university to complete your bachelor's degree in environmental science or related field.

MARYLAND EDUCATION ALLIANCE

Don't see the program you're looking for?

Through a unique collaboration across several community colleges in Maryland, students have access to several degree programs that are not currently offered at their home institution.

The following programs are currently offered through the MEA:

- **Massage Therapy**
- **Nuclear Medicine Technology**
- **Public Health**
- **Respiratory Therapy**

Visit www.chesapeake.edu/mea for more information.

HEALTH PROFESSIONS

Careers in healthcare are as diverse as the people who need care. Whether you want to work on the front lines in an emergency, treat patients in a specialized clinical setting, help people stay well physically and mentally, or work behind the scenes in an administrative role, you can find a healthcare profession that matches your personality, interests, work-style, and goals.

EARN A DEGREE OR CERTIFICATE

Credit Programs

Some of the following programs operate on a traditional college schedule, with most in-person classes taking place during the day throughout fall, spring—and often summer—semesters.

Enrollment in the programs listed here is limited and selection is competitive. Each requires extensive prerequisites and a second, program-specific application for admission into the program once prerequisites have been met. Time to complete and tuition are approximate. See User Guide on page 4 for additional details. Requires college application and admission.

Contact: admissions@chesapeake.edu

EMERGENCY MEDICAL SERVICES A.A.S. DEGREE

2 years / \$10,000 / /

For EMTs ready to become paramedics and then further their training in other health fields, this program prepares students for the national certification or state protocol examination, and follows the National Emergency Medical Services Education Standards.

EMERGENCY MEDICAL SERVICES CERTIFICATE

1.5 years / \$7,500 / /

For EMTs ready to become paramedics, this program prepares students for the national certification or state protocol examination, and follows the National Emergency Medical Services Education Standards.

GENERAL COLLEGE STUDIES A.A. DEGREE — ALLIED HEALTH →

2 years / \$10,000 / /

Provides the general education requirements and foundational healthcare courses needed to transfer to a four-year institution to earn a bachelor's degree in an allied health field.

HEALTH, FITNESS & EXERCISE SCIENCE A.A. DEGREE — EXERCISE SCIENCE →

2 years / \$10,000 / /

Prepare to transfer to a four-year institution to earn a bachelor's degree in exercise science.

HEALTH SCIENCES CERTIFICATE →

1 year / \$5,000 /

Prepare for transfer to a college or university to earn an associate or bachelor's degree in a health sciences field.

HUMAN SERVICES A.A.S. DEGREE — BEHAVIORAL HEALTH

2 years / \$10,000 / /

Paraprofessionals already working in the human services field can update skills and prepare for entry-level mental health roles, or transfer to a four-year institution to earn a bachelor's degree in social work.

HUMAN SERVICES — ADDICTION COUNSELING CERTIFICATE

1 year / \$5,000 / /

Earn trainee status certification with the State of Maryland, which allows working under the supervision of an addiction agency.

NURSING: REGISTERED NURSE A.S. DEGREE

2 years / \$10,000 / /

*Accelerated pathways for special populations to earn a BS are available.

Prepare for the National Council Licensure Examination for Registered Nurses (NCLEX-RN). Upon passing the exam, you will be eligible for employment as a Registered Nurse.

PHYSICAL THERAPIST ASSISTANT A.A.S. DEGREE

2 years / \$10,000 / /

Prepare for a career as a physical therapist assistant, learning the skills needed for the National Licensure Physical Therapy Examination for Physical Therapist Assistants.

PRE-VETERINARY TECHNOLOGY CERTIFICATE →

1.5 years / \$7,500 / /

Prepare for transfer to a college or university to earn an associate or bachelor's degree in veterinary technology.

RADIOLOGIC SCIENCES A.A.S. DEGREE

2 years / \$10,000 / /

Prepare for the American Registry of Radiographic Technologists certifying exam. Upon completion of the exam, you will be eligible for entry-level employment as a radiology technologist.

SURGICAL TECHNOLOGY A.A.S.

2 years / \$15,000 / /

Prepare for the National Board of Surgical Technologists and Surgical Assistants (NBSTSA) certifying exam to become a Certified Surgical Technologist (CST).

WORKFORCE & ACADEMIC PROGRAMS

EMERGENCY MEDICAL TECHNICIAN (EMT)

EMERGENCY MEDICAL TECHNICIAN (EMT) PROGRAM

4 months / \$1,395 / 🧑 / FA

This MIEMSS approved program covers the theory and techniques of basic emergency medical care. The EMT provides basic life support care to critically ill or injured patients. EMTs learn to manage an airway using artificial devices, assess the severity of illness or injury, manage wounds and bleeding, immobilize fractures, perform CPR, utilize an automated defibrillator, and a host of other procedures. The clinical portion of this program will provide supervised field internship experience that allow students to practice basic patient assessments and to be exposed to a variety of sick and injured patients while under the direction of qualified instructors. Students will register for all courses in the program at one time (EMT I, II, III).

Limited to 15 students.

PREREQUISITES: Must be at least 17 years old by the first day of class, college readiness assessment in reading (or exempt), and access to a computer with reliable high-speed internet access.

For more information contact Jon Longest at emt@chesapeake.edu.

EMERGENCY MEDICAL TECHNICIAN I

No class 01/31/26, 02/07/26, 02/21/26

Section	Sessions	Dates	Days	Times	Room
CEI-252 A0001	17	01/20–03/05/26	T/Th S	6–10 p.m. 8:30 a.m.–4:30 p.m.	HPAC-139 & HPAC-219

EMERGENCY MEDICAL TECHNICIAN II

No class 03/17/26, 03/19/26, 03/21/26

Section	Sessions	Dates	Days	Times	Room
CEI-253 A0001	17	03/10–04/30/26	T/Th S	6–10 p.m. 8:30 a.m.–4:30 p.m.	HPAC-139 & HPAC-219

EMERGENCY MEDICAL TECHNICIAN III

Section	Sessions	Dates	Days	Times	Room
CEI-254 A0001	4	05/05–05/14/26	T/Th	6–10 p.m.	HPAC-139 & HPAC-219

PERSONAL FITNESS TRAINER

PERSONAL FITNESS TRAINER PROGRAM

1 month / \$800 / 🧑 / FA

(Tuition: In-county \$30, Out-of-county \$35, Out-of-state \$40)

Get all the information needed to start an exciting fitness career and become a Certified Personal Trainer. Turn your fitness passion into a profession. The scheduled online lectures with a top 5 star teacher will cover 15 hours of anatomy, exercise physiology, kinesiology, biomechanics, nutrition, and more. The in-person practical skill labs role play and review essential hands-on skills to master assessing clients, stretching, warm ups/cool downs, exercise analysis with execution, programming design, and much more. The course includes the national test vouchers (\$450 value) and extra access to our online CPT course to review lectures and labs at no extra cost! W.I.T.S. 30 hour optional employer internship (Level 2 Certification) helps walk you into jobs who very much value our unique certification. We are all about your success, and the tools we give you will help you reach that goal. Note: Successful completion of the course activities will get you a Certificate of Completion.

PHLEBOTOMY TECHNICIAN

PHLEBOTOMY TECHNICIAN PROGRAM

3 months / \$1,595 / 🧑 / 🖥️ / FA

(Tuition: In-county \$100, Out-of-county \$110, Out-of-state \$120)

Train for a career as a Phlebotomy Technician. Upon completion of this program, students are prepared to take the American Society for Clinical Pathology (ASCP) Phlebotomy Technician (PBT) certification examination. The program consists of two noncredit courses that include supervised clinical practicum hours completed outside of the classroom. Certificate of completion awarded for successful completion of the program. Students must meet eligibility requirement with a background check. Prior approval from program coordinator required to register. **Students must register for both CEH-434 and CEH-435 at one time.** Computer with webcam and strong internet connection required for successful completion.

PREREQUISITES: College Placement Tests for Reading and Arithmetic, high school (or equivalent) graduate, CEH 433 Phlebotomy Technician Prep, Medical Terminology: A Word Association Approach, 18 years of age

COURSE SEQUENCE: Phlebotomy Technician Theory and Phlebotomy Technician Clinical

PHLEBOTOMY TECHNICIAN THEORY

WORKFORCE & ACADEMIC PROGRAMS

HUMANITIES / LIBERAL ARTS & SCIENCES

Humanities refers to the wide range of areas of study within the arts, music, theater, literature, and culture. These subjects are the basis for more advanced programs in English, history, social studies, and more. Earning a degree in humanities is a great way to get started with college, even if you are not sure what you eventually want to study, by earning transferable, general education credits. Our noncredit humanities offerings are always a fun way to gain knowledge and critical thinking skills.

EARN A DEGREE OR CERTIFICATE CREDIT PROGRAMS

The following programs operate on a traditional college schedule, with most in-person classes taking place during the day throughout fall and spring semesters. Time to complete and tuition are approximate. See User Guide on page 4 for additional details. Requires college application and admission.

Contact: admissions@chesapeake.edu

LIBERAL ARTS AND SCIENCES A.A. DEGREE →

2 years / \$10,000 /    / FA

Prepare for transfer to a four-year college or university to earn a bachelor's degree, meeting general education requirements, while exploring a wide variety of classes.

LIBERAL ARTS AND SCIENCES - AGRICULTURE CONCENTRATION DEGREE →

2 years / \$10,000 /  / FA

Prepare for transfer to a four-year college or university to earn a bachelor's degree in agriculture, environmental science, animal science, or a similar field.

TRANSFER STUDIES ADVANCED CERTIFICATE →

1 year / \$5,000 /   

Get a head start on your college education with these general education credits.

TRANSFER STUDIES BASIC CERTIFICATE →

1 year / \$5,000 /   

Get a head start on your college education with these general education credits.

AFRICAN-AMERICAN STUDIES LETTER OF RECOGNITION

6 months / \$2,500 /   

Add greater cultural knowledge to other degree programs in humanities and other areas.

GLOBAL AND INTERCULTURAL STUDIES CERTIFICATE →

1 year / \$5,000 /    / FA

Provides a foundational understanding of current global issues, world history, and cultures.

THEATRE AND PERFORMANCE STUDIES CERTIFICATE →

2 years / \$10,000 /  / FA

Prepare for a career on stage or behind the scenes, or for transfer to a four-year college or university.

Humanities &
Liberal Arts

Start here. Go anywhere.

These Liberal Arts degrees and certificates are designed to transfer! Make the smart choice and start your educational journey with us at Chesapeake College.

LAW & CRIMINAL JUSTICE

Learn from professionals with real-world experience who are dedicated to preparing the next generation of law and justice professionals.

WELDING

Explore the fundamentals of welding and prepare for industry certifications. /

FUNDAMENTALS OF WELDING

Fees: \$818 Tuition: \$100/\$105/\$110

This continuing education course is designed for entry-level welding workers and provides instruction on the theory and techniques of operating MIG (Metal Inert Gas), TIG (Tungsten Inert Gas) and Metal Arc welding machines, oxy-acetylene burning and welding, and heat treating with an emphasis on basic welding and procedures. Topics include setup and use of equipment and tools, equipment and industrial safety and health practices, hand tool and power machine use, measurement, laboratory operating procedures, welding power sources, welding career potentials, and introduction to welding codes and standards.

No class 03/16/26, 03/17/26, 03/18/26, 03/19/26

Section	Sessions	Dates	Days	Times	Room
COL-066 9A001	30	01/22–05/12/26	T/Th	3:40–5:20 p.m.	MTC-102
COL-066 9B002	15	01/21–03/11/26	M/W	6–9:30 p.m.	MTC-102

STRUCTURAL WELDING AND CUTTING

Fees: \$1,126 Tuition: \$100/\$105/\$110

This continuing education course is designed to develop the student's skills in oxy-fuel and plasma cutting, shielded metal arc (SMAW), gas metal arc (GMAW), and flux-cored arc (FCAW) welding processes in structural steel application. Students will also establish a deeper understanding of drawing and welding symbol interpretation as they work towards the AWS Entry Level Welder Performance Qualification Tests.

Section	Sessions	Dates	Days	Times	Room
COL-067 9A001	15	01/22–03/12/26	T/Th	6–9:30 p.m.	MTC-104

METAL FABRICATION I

Fees: \$805 Tuition: \$100/\$105/\$110

This continuing education course is designed to provide students with the necessary knowledge and skills to perform basic metal fabrication in a welding shop. Topics include occupational and safety considerations, identification and application of types of metal and joints, fabrication processes, practical job-based math applications, and use of welding symbols and detail drawings.

No class 03/16/26, 3/18/26

Section	Sessions	Dates	Days	Times	Room

COMMERCIAL DRIVER'S LICENSE

CDL CLASS-A LICENSE

9-16 weeks / \$5,150 / 🧑 / 🇺🇸 / 🇫🇦

This license is required for vehicles greater than 10,000 lbs. with an articulating trailer. This training option is ideal for those interested in driving tractor trailers locally, regionally, or over the road. Students will receive training to test for the following license endorsements: Tankers, Doubles & Triples, Passenger, and School Bus (additional fees may apply). All classes take place at the Wye Mills Campus. Contact skilledtrades@chesapeake.edu for next available cohort date.

Class Format	Days	Times
Day Classes (Length: 9 weeks)	M/T/W/Th	8 a.m.–4:30 p.m.
Night classes (Length: 16 weeks)	M/T/W/Th	6–10 p.m.

CDL CLASS-B LICENSE

6 weeks / \$2,950 / 🧑 / 🇺🇸 / 🇫🇦

This license is required for vehicles greater than 26,000 lbs. without a trailer. This training option is ideal for those interested in driving passenger buses (including school buses), dump trucks, or straight trucks. Students will receive training to test for the following license endorsements: Tankers, Passenger, and School Bus. All classes take place at the Wye Mills Campus. Contact skilledtrades@chesapeake.edu for next available cohort date.

Class Format	Days	Times
Day Classes (Length: 6 weeks)	M/T/W/Th	8 a.m.–4:30 p.m.

MARINE TRADES

MARINE SERVICE TECHNICIAN PROGRAM

4 months / \$1,235 / / FA

Whether you are a boat enthusiast, work in the marine industry, or are ready to begin a new career, our instructors will teach you to install, troubleshoot, diagnose, and repair a wide range of marine equipment and systems. Learn in our dedicated marine trades labs with industry experts, then put your skills to work on the water as a Yamaha Certified Technician, Basic Marine Electronics Installer (MEI).

PORTABLE OUTBOARD ENGINE SERVICE

Fees: \$700 Tuition: \$100/\$105/\$110

This continuing education course is designed to facilitate students' mastery of the maintenance tasks associated with the portable outboard engines per the required service intervals for 20 to 1000 hours of engine operation. Instruction centers around the Yamaha F9.9B/T9.9B outboard engine platform. Topics include service literature, tools, maintenance charts, powerheads, lower units/midsection, propellers, and fuel systems. **No class 03/17/2026**

Section	Sessions	Dates	Days	Times	Room
CET-386 9A001	15	02/17–04/09/26	T/Th	6–9 p.m.	MTC-105

MARINE ENGINE SERVICE LEVEL 3

Fees: \$1,950 Tuition: \$100/\$105/\$110

This continuing education course is designed to facilitate students' mastery of the maintenance tasks associated with the Portable, Mid-Range and V6 outboard engines per the required service intervals for 20 to 1000 hours of engine operation. Instruction centers around the Yamaha F9.9, F30, and F250 engine platform. Topics include service literature, tools, maintenance charts, powerheads, lower units/midsection, propellers, and fuel systems. **No class 05/25/26**

Section	Sessions	Dates	Days	Times	Room
CET-389 9A001	22	04/20–07/06/26	M/W	6–9 p.m.	MTC-107

INTRODUCTION TO OUTBOARD SYSTEMS

Fees: \$185

This continuing education course is designed to enable students to gain a basic understanding of Outboard Marine Engines, their operating principles, and the tools used to service and maintain them. This course is ideal for those interested in pursuing employment in the marine service industry. Topics include an orientation to the marine service industry, outboard engine systems, common engine/boat parts, mechanic service tools, and basic service procedures. Students have the opportunity to obtain industry-recognized certifications from Yamaha Marine.

Section	Sessions	Dates	Days	Times	Room
CET-391 9A001	4	01/07–01/28/26	W	6–9 p.m.	MTC-105

INTRO TO MARINE SERVICE TECHNOLOGY

Fees: \$900 Tuition: \$100/\$105/\$110

Identify the basics of electrical theory, install and trouble shoot small electrical systems/components, describe the function and purpose of mechanical systems on a boat, identify common materials and composites used in marine applications, demonstrate understanding of the principles and accepted practice of plumbing on boats, perform general maintenance and service tasks necessary for boats.

Section	Sessions	Dates	Days	Times	Room
CET-392 9B002	20	01/12–03/25/26	M/W	6–9 p.m.	H-107/T-132

LITHIUM BATTERY AND CHARGING SYSTEMS FOR MARINE

Fees: \$600 Tuition: \$50/\$55/\$60

Identify the principles of electrical theory, install and trouble shoot electrical systems/components, describe the function of various types of charging systems for boats, identify type of batteries and standards for their installation, demonstrate understanding of the principles and best practice for lithium battery installation and charging systems, perform required maintenance and service tasks necessary for battery systems.

Section	Sessions	Dates	Days	Times	Room
CET-393 9A001	6	03/30–04/15/26	M/W	6–9 p.m.	T-132

PROFESSIONAL CAPTAINS SCHOOL

Fees: \$850

Cite the rules of the road regarding boat navigation. Describe boat handling techniques, explain the use of boat navigation aids. Demonstrate the use of plotting tools. Define firefighting methods.

Section	Sessions	Dates	Days	Times	Room
CEI-266 9A001	9	02/06–02/22/26	F/S/U	6–10 p.m.	CAMB-117

MASTER CAPTAINS LICENSE UPGRADE 100 TON FROM OUPV

Fees: \$300 Tuition: \$50/\$55/\$60

Identify correct cargo handling equipment, identify factors influencing hull shapes, understand importance of maintaining proper trim and stability on a vessel, identify and state the use of load lines, recognize and be able to reference US shipping laws that govern inspected "t" boats, demonstrate a working knowledge of international rules of the road (COLREGS).

Section	Sessions	Dates	Days	Times	Room
CET-416 9A001	3	02/27–03/01/26	F/S/U	8 a.m.–5 p.m.	CAMB-117

ASSISTANCE TOWING ENDORSEMENT

Fees: \$125 Tuition: \$25/\$30/\$35

Identify and state how to minimize safety risks involved with towing another vessel, identify forces in towing (dynamic and static), identify common and safe towing procedures, identify towing equipment and its use, identify precautions to take for each tow performed.

Section	Sessions	Dates	Days	Times	Room
CET-417 9A001	1	02/26/26	Th	6–8 p.m.	CAMB-117

MANUFACTURING

Learn the basics of the manufacturing industry and get hands-on experience with equipment you will see in real facilities. 

INTRODUCTION TO MANUFACTURING

Fees: \$550 Tuition: \$100/\$105/\$110

This program introduces entry level students to the core manufacturing industry related industry skills. The core competency areas are: (1) math and measurement, (2) manufacturing technology/Industry 4.0, and (3) technical training in several areas including safety, preventative maintenance, shop skills, hydraulics, pneumatics, machining and print reading.

Section	Sessions	Dates	Days	Times	Room
CET-600 9A001	15	01/21–03/11/26	M/W	6–9 p.m.	CAMB

MACHINING FUNDAMENTALS

Fees: \$650 Tuition: \$100/\$105/\$110

Explore machining topics to include manual milling and turning with an introduction to CNC.

Section	Sessions	Dates	Days	Times	Room
CET-604 9A001	15	03/25–05/13/26	M/W	6–9 p.m.	T-122

INTRODUCTION TO LASERS

Fees: \$100 Tuition: \$100/\$105/\$110

An introduction to CO2 and fiber lasers for use to cut, engrave, and assemble various materials.

Section	Sessions	Dates	Days	Times	Room
CET-605 9A001	2	01/06–01/08/26	T/Th	6–9 p.m.	T-123

MANUFACTURING SAFETY AND QUALITY

Fees: \$550 Tuition: \$100/\$105/\$110

This course is designed to continue training in manufacturing and further prepare the student to earn their Certified Production Technician credential from Manufacturing Skills and Standards Council.

Section	Sessions	Dates	Days	Times	Room
CET-606 9A001	12	01/22–03/03/26	T/Th	6–9 p.m.	T-123/T-122

MANUFACTURING PROCESS AND PRODUCTION

Fees: \$650 Tuition: \$100/\$105/\$110

This course is designed to continue training in manufacturing and further prepare the student to earn their Certified Production Technician credential from Manufacturing Skills and Standards Council.

Section	Sessions	Dates	Days	Times	Room
CET-607 9A001	15	03/24–05/12/26	T/Th	6–9 p.m.	T-123/T-122

SOLIDWORKS INTRODUCTION

Fees: \$450 Tuition: \$100/\$105/\$110

This course provides an introduction to 3D modeling and engineering using Solidworks. Topics include mechanical design concepts, the 3D design and engineering workflow, and the features and capabilities of the Solidworks CAD/CAE application.

Section	Sessions	Dates	Days	Times	Room
CET-608 9A001	15	01/21–03/11/26	M/W	6–9 p.m.	T-123

PIPING & PLUMBING

Develop the essential skills needed for a rewarding career in plumbing and piping. Contact skilledtrades@chesapeake.edu to enroll. 

PIPING AND PLUMBING LEVEL 1, PART 2

Fees: \$700 Tuition: \$100/\$105/\$110

This course (one is a series) introduces students to the skilled trade field of piping and plumbing systems in building construction. Technical training in the second half of Level 1 is comprised of working with various types of piping and fittings, fixture introduction, fundamentals of drain/waste/vent (DWV) systems and the basics of water distribution systems. **No class 03/17/26.**

Section	Sessions	Dates	Days	Times	Room
CET-501 9A001	32	01/13–05/05/26	T/Th	6–9 p.m.	T-124/T-130

WASTEWATER TRAINING

Courses specialize in water/wastewater operator certification to meet state professional certification requirements. For information, visit the MCET Website at www.mcet.org.

Trades

STEM & COMPUTER SCIENCES

STEM stands for science, technology, engineering, and mathematics. Demand for professionals in these fields is growing quickly, and people with knowledge in fields such as biology or computer science are finding well-paying jobs with lots of opportunities for advancement. Chesapeake can help you succeed whether pursuing a college degree or preparing for a well-paying career.

EARN A DEGREE OR CERTIFICATE

Credit Programs

The following programs operate on a traditional college schedule, with most in-person classes taking place during the day throughout fall and spring semesters. Time to complete and tuition are approximate. See User Guide on page 4 for additional details. Requires college application and admission.

Contact: admissions@chesapeake.edu

COMPUTER SCIENCE TECHNOLOGY A.A.S. DEGREE

2 years / \$10,000 / /

Learn foundational hardware, software, and programming skills, customizing electives based on your area of interest to prepare for an entry-level job.

INFORMATION TECHNOLOGY A.S. DEGREE →

2 years / \$10,000 / /

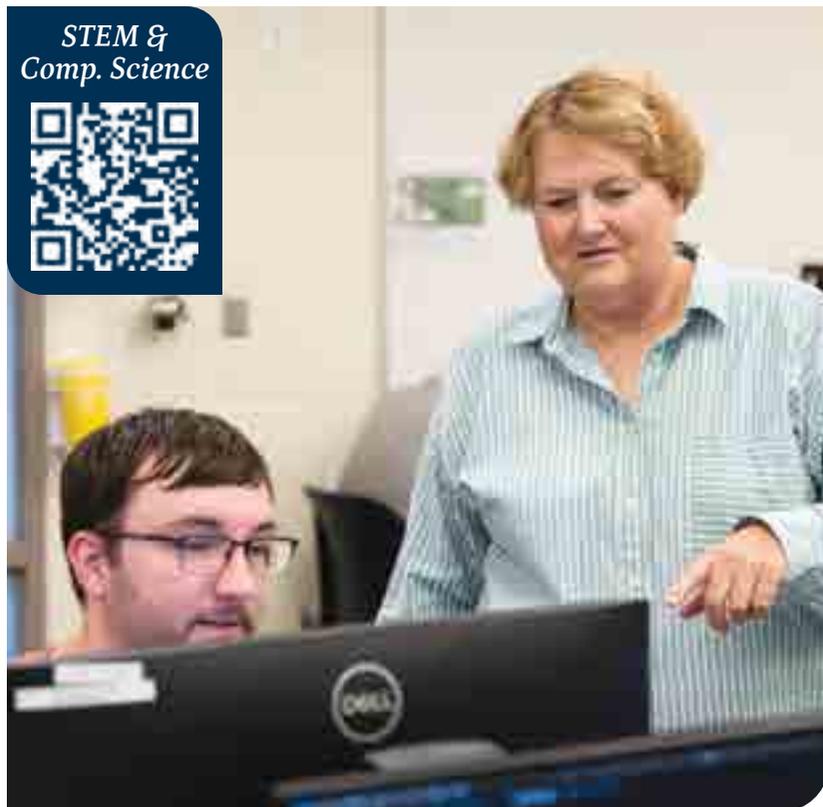

Learn foundational hardware, software, and programming skills. Students will acquire skills in basic programming, hardware, software, and web design. Students will also develop a working knowledge of ethics and career readiness skills (teamwork, communication, customer service, and professionalism.) for the IT field. In addition to taking the program core courses, students can focus their Computer Technology degree with further study based on their choice of electives.

BIOLOGICAL SCIENCES DEGREE A.S. →

2 years / \$10,000 / /

Prepare for transfer to a four-year college or university to complete your bachelor's degree in biology, a related science, or a pre-medical / pre-veterinary program.

STEM & Comp. Science

UAS (DRONE) FAA REMOTE PILOT CERTIFICATE PREP

Fees: \$299 /

Prepare for success in the world of unmanned aerial vehicles (UAVs) with our comprehensive Drone Test Prep Course. Designed for both novice enthusiasts and aspiring professional drone pilots, this course provides the essential knowledge and skills needed to ace the FAA Part 107 exam. As part of the course, we provide practical insights into pre-flight checklists, risk assessment, and operational best practices to ensure safe and effective drone piloting. Whether you're aiming to integrate drones into your professional services or seeking a recreational understanding, this course is your key to soaring with confidence through the FAA Part 107 exam.

Section	Sessions	Dates	Days	Times	Room
CEW-046 9A001	2	04/17–04/18/26	F/S	9 a.m.–4 p.m.	EDC-26

DRONOGRAPHY 101: ESSENTIALS OF AERIAL PHOTOGRAPHY

Fees: \$299 /

Discover the art and technology of drone photography and videography in this hands-on course. Learn how to operate drones safely, capture stunning aerial shots, and edit high-quality footage for professional or creative projects. Perfect for beginners and enthusiasts looking to elevate their visual storytelling from the sky!

Section	Sessions	Dates	Days	Times	Room
CEW-053 9A001	4	04/21–04/30/26	T/Th	3–6 p.m.	EDC-26

COMPUTER LITERACY FOR SPANISH SPEAKERS

Fees: \$150 /

A course designed for Spanish speakers who want to build foundational skills in using computers and technology. Participants will learn essential concepts such as internet navigation, working with common programs like word processors and spreadsheets, and managing files. Through practical lessons and interactive activities, the course helps students gain confidence in using technology, equipping them with skills they can apply in daily life and the workplace.

Section	Sessions	Dates	Days	Times	Room
CEW-243 9A001	1	02/06/26	F	9 a.m.–4 p.m.	EDC-26

CUSTOMIZED INDUSTRY TRAINING

Put Chesapeake College to work for your business!

WHAT IT IS:

Also called *Contract Training*, our *Customized Industry Training* can train your existing workforce to your business' standards, based on your specific needs.

Chesapeake College specializes in meeting the training needs of employers throughout the region through a wide range of programs. A well-trained workforce contributes to the competitive advantage of the region.

Chesapeake College can work with your organization to design, develop and deliver the training you need to meet your productivity and continuous improvement goals. We will meet with you to discuss all your training needs including:

- customer-specific courses & programs
- training needs assessment
- strategic planning
- flexible scheduling
- credit & noncredit courses

WHAT WE OFFER:

Leadership and Supervisor training

- Building High Performance Teams
- The Art of Communication
- Managing for Performance

Computer Skills

- Essential training for all levels of ability

Hospitality

- ServSafe – certification & re-certification
- Safe food handling
- Bartending

English as a Second Language

Industry specific communication & workplace skills for non-native English speakers

Command Spanish Training for the Workplace

Job-specific Spanish language and cross-cultural training in a diversity of fields

INTRODUCTORY ASTRONOMY - STAR GAZER BOOT CAMP

Fees: \$40 Tuition: \$5/\$10/\$15

This continuing education course is designed for novice astronomers who would like to identify objects when they gaze into the night sky. Students will learn the basic terms and concepts of astronomy and a sense of time and motion associated with observed celestial objects. Topics include: terms, motion of celestial objects, and identification of stars.

Section	Sessions	Dates	Days	Times	Room
CEP-710 9A001	4	03/04–03/25/26	W	7–8:30 p.m.	HPAC-133

ADVANCED ASTRONOMY

Fees: \$40 Tuition: \$5/\$10/\$15

This continuing education course builds on the Introduction to Astronomy, offering a more in-depth exploration of the field. Topics will cover the structure and evolution of astronomical systems, as well as the use of star catalogs. Students will also learn to operate optical instruments and specialized mounts to observe the solar system, the Milky Way, and other galaxies.

CEW-118 9A001	4	04/08–04/29/26	W	7:30–9 p.m.	HPAC-133

SUMMER CAMP

NEW! SUMMER ENRICHMENT CAMP – “CAMP CHESAPEAKE – WHERE CURIOSITY MEETS ADVENTURE”

For rising 6th–9th graders, June 22–25, 2026. For more information, email lifelonglearning@chesapeake.edu or call 410-827-5835.

SENIOR CENTER OFFERINGS & LOCATIONS

Senior classes, offered in a variety of subjects, are open to persons over 60 years of age who reside in Caroline, Dorchester, Kent, Queen Anne's, or Talbot counties. These classes are held during the day, and are between one and two hours in duration at sites throughout the five-county area. Most classes meet once or twice a week and last between 10 to 16 weeks. Not all classes are offered at every site; some counties have restrictions limiting who may attend at certain sites. Please contact the senior center for more information.

Students may register for classes at the sites listed below, or students can reserve their spot faster using online registration. To register for senior class offerings online, visit the link below and search for senior classes by entering CED into the course code number. Online Registration: sserv.chesapeake.edu/Student/InstantEnrollment

CLASS SCHEDULE

Term 1: July–October
Term 2: November–February
Term 3: March–June

CLASSES OFFERED

Healthy Living: Yoga
Healthy Living: Enhance Fitness
Healthy Living: Fitness Dance
Craft Design and Production
Fundamentals of Art: Rug Hooking

TEACH AT THE 'PEAKE!

Instructors Wanted

We're in the process of expanding our instructor pool and want **you** to join our team! Teach daytime, evening, or weekend courses—in-person or online—whatever works for you. With flexible hours and a variety of subject matter, it's the perfect opportunity to supplement your income while sharing your expertise.

New to teaching? We offer support for curriculum development and training in our learning management system—specifically for those who may not have prior instructional experience.

Get started! Check out our areas of study below, then complete the contact form to learn more.

- **Adult Education**

e.g., Adult Basic Education, GED prep, English Language Learners

- **Business**

e.g., Nonprofit Management, Small Business, Leadership, Tax Preparation

- **Computers & Technology**

e.g., General Instructors, App Creation, Microsoft Office, Digital Marketing, Social Media

- **Health**

e.g., CNA, Dental Assistant, CMA, Veterinary Assistant, Phlebotomy Tech

- **Personal Enrichment**

e.g., Art, Music, Culinary, Photography, History, Literature, Science

- **Real Estate**

e.g., Appraisal, Home Inspection

- **Skilled Trades**

e.g., Electrical, HVAC, Metal Fabrication, Welding, Plumbing, Manufacturing, CDL, Marine Engine Technology

**Have an idea for a course not listed?
We're all ears!**

Visit the link on the right and add your suggestion when you register.

Find out more!

Visit www.chesapeake.edu/teach or scan the QR code, then complete the contact form to receive information about the next recruitment event.

COLLEGE INFO & POLICIES

TUITION AND FEES

TUITION

Course tuition is determined by the legal residence of the student, with residents of Caroline, Dorchester, Kent, Queen Anne's and Talbot counties paying in-county tuition. All students, including seniors, pay the same tuition and fees for CES, AFC and FTW courses.

SPONSORED BILLING

Employer Billed Tuition and Fees: Advanced payments by company check are welcomed at the time of registration. The College can also bill an employer. Please provide a purchase order or completed Sponsorship Billing Authorization form at the time of registration. The form can be found at www.chesapeake.edu, or request a form from the Business Office by emailing BusinessOffice-wmc@chesapeake.edu or by calling 410-822-5400, ext. 2244. Include the employee's name, Social Security number or student identification number, course number and title, and total amount of tuition, fees, and books (if applicable). Also include billing address and signature of person authorizing payment. Students will not be confirmed in their classes until the College receives the above information. The refund/withdrawal policy will apply.

FEES

All students, including senior citizens, must pay course fees, which may differ from course to course. Additionally, there is a \$5 registration fee per class applied to every registration transaction.

SENIOR CITIZENS TUITION WAIVER

Seniors registering for courses, except those designated as CES, AFC or FTW, will have TUITION waived. Proof of age required.

DISABILITY TUITION WAIVER

As a result of legislation (MD H.B. 53), effective July 1, 2012, tuition waivers for students with disabilities are applicable for noncredit, continuing education courses.

NATIONAL GUARD MEMBERS

If you are a member of the MD National Guard, you may be eligible for a 50 percent tuition discount on any Chesapeake College noncredit course, with the exception of courses designated CES, AFC or FTW in the course number. All National Guard members must pay related course fees and any book expenses. To qualify for this discount, members must present a State Tuition Waiver Letter from their Unit Commander upon registration on a semester basis. For additional information about military and veterans benefits, please visit www.chesapeake.edu/students/veterans-services.

PAYMENT PLAN

A payment plan is now available for credit courses and for noncredit courses with a minimum course length of two months. To participate, go to www.chesapeake.edu/ecashier and follow the link to "ACI Payments" to set up a payment plan. Students must complete the payment plan process before the first day of class.

For more information, contact the Business Office at **410-822-5400 x 2244** or BusinessOffice-WMC@chesapeake.edu.

REFUNDS & CANCELLATIONS

REFUNDS FOR NONCREDIT COURSES

Tuition and course fee refunds of 100 percent will be made prior to the day of the first class. No tuition or fee refunds will be given after that date unless the College cancels the course. Those courses that are co-listed with credit courses follow the credit course refund policy.

CANCELLATIONS FOR NONCREDIT COURSES

The College reserves the right to cancel in advance any course for which minimum enrollment has not been met. There is a 100 percent refund of all tuition and course fees on courses canceled by the College.

COLLEGE HOLIDAYS

HOLIDAY CLOSINGS FOR CHESAPEAKE COLLEGE

Martin Luther King, Jr. Day	01/19/26
Spring Break	03/16–3/17/26
Memorial Day	05/25/26
Juneteenth	06/18/26
Independence Day	07/02/26

BOOKSTORE

The college bookstore is located on the Wye Mills campus for in store shopping, but also offers free order pick up at the Cambridge Center. The bookstore sells textbooks and study aids for credit and noncredit courses. Also, check out the variety of Chesapeake College branded apparel, water bottles, lanyards, and more! Orders can be placed online at www.chesapeake.bncollege.com. Payment may be made using student financial aid, major credit card, or by Barnes and Noble gift card. Cambridge orders are delivered to the Cambridge Center on Mondays and Wednesdays; you will receive a pick-up email when your order is ready. Orders can also be shipped to your address free with minimum purchase. For more information, contact the Bookstore at **410-827-6874** or SM683@bncollege.com.

NONDISCRIMINATION

Chesapeake College does not discriminate on the basis of age, ancestry, color, creed, gender identity or expression, genetic information, marital status, disability, national origin, race, religious affiliation, belief or opinion, sex, or sexual orientation in matters affecting employment or in providing access to its programs and activities.

CREDIT PROGRAM REGISTRATION

Visit www.chesapeake.edu/apply and complete the application if you are a new student. Current students only will register for classes using MyCampus. Visit www.chesapeake.edu/students/online-registration for instructions for online registration. Email admissions@chesapeake.edu with any questions. High school students interested in earning college credits should speak to their high school counselor for information on how to get started. Advising hours: Monday–Friday 10 a.m.–4 p.m. Virtual advising is available.

NONCREDIT COURSE REGISTRATION

FOUR OPTIONS TO REGISTER FOR NONCREDIT CLASSES

#1 ONLINE

Register and pay online: www.chesapeake.edu/ce-reg. You will be registering as a "Noncredit/Continuing Education" student. Classes with a 9 in the section information are eligible for online registration. Example: CEI 100 9A. If you experience any problems, please email ce@chesapeake.edu. Students with any financial obligations with Chesapeake College are not eligible for online registration. See the next page for instructions.

#2 IN PERSON

You may register in person on the Wye Mills Campus in the Dorchester Administration Building or at the Cambridge Center.

REGISTRATION HOURS AND LOCATIONS

Wye Mills Campus: Open daily for registration in the Dorchester Administration Building, Monday–Friday 8:30 a.m.–4:30 p.m. Closed Fridays during the summer.
Cambridge Center: For more information, call **410-820-6058** or **410-228-5754**.

#3 BY MAIL

Fill out the registration form completely. The form can be found at www.chesapeake.edu/reg-form. Sign and date the completed form. Payment, along with purchase order, or signed Sponsorship Billing Authorization form, must accompany the registration form. Mail-in registrations must be received at least one week prior to course start date.

#4 BY FAX

Use a credit card for payment and include credit card type, number, expiration date, and owner's signature on the registration form. MasterCard, Visa, Discover or American Express accepted. The fax number is **410-827-5852**.

Payment is due at the time of registration, by cash, check, credit card (Visa, MasterCard, Discover, or American Express), or debit card, and is required for online registration. There is a \$5 registration fee per class in addition to any tuition or course fees associated with each course.

REGISTERING FOR ED2GO COURSES

Go to www.chesapeake.edu/ed2go for a complete list of course offerings. These courses are presented asynchronously through the Web. This delivery mode provides students with the convenience of taking courses anytime, anywhere via their personal computer. Each course will have an online orientation, communication with an instructor, and activities. It is necessary for students to have a personal computer, email, and internet access to receive the courses. Students can find out more about the online courses and begin the registration process online through Chesapeake College's Division of Continuing Education and Workforce Training Website at www.chesapeake.edu/ed2go.

HOW TO REGISTER FOR NONCREDIT CLASSES ONLINE

To register for our noncredit offerings online, visit www.chesapeake.edu/ce-search and follow the steps below.

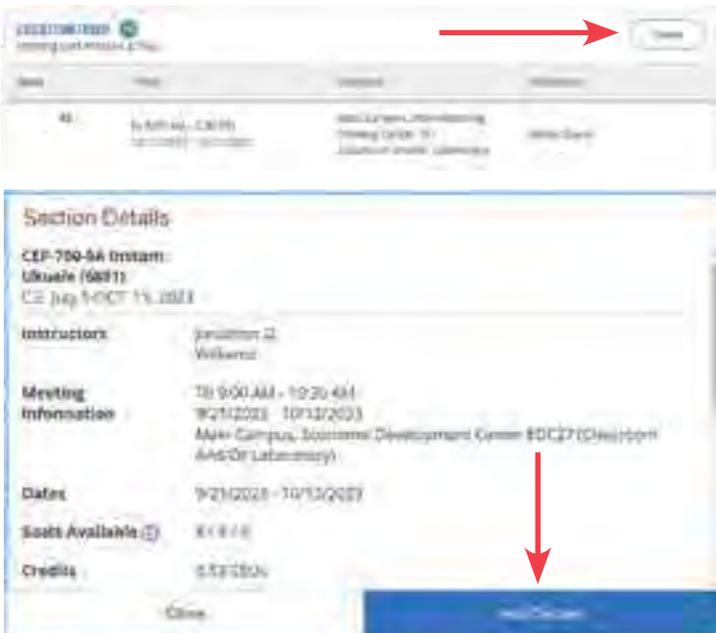

1. Click on as few or as many of the filters in the left hand menu to narrow down offered courses:

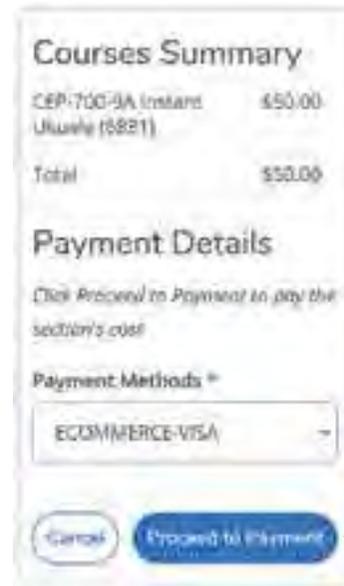

Or in the search bar at the top, enter a course number, course name, or another search term to look for specific courses, then hit enter or click the magnifying glass:

2. Once there, scroll through to find the course you'd like, making sure to select the correct dates and times that fit your schedule. Click "Select" for the course you would like. This will open a pop-up window with the section details for the course. Click "Close" to keep looking at other courses, or "Add Section" to choose this course. This will add the course to your cart.

3. Once you have selected and added all the courses you wish to take, click "Next" at the top of the screen to proceed.
4. Fill in your registration information, then click "Submit."
5. Select additional details from the drop-down menus, then click "Submit."
6. Review your class selections and Courses Summary for correctness. You can still add or remove classes before you complete payment. Payment must be made at the time of registration, and must be made using a credit card (Visa, MasterCard, Discover or American Express). Under Payment Details, choose your Payment Method in the drop-down menu, then click "Proceed to Payment."

7. Verify everything is correct under Payment Review and click "Pay Now."
8. You will be redirected to the PayPal payment page. Enter your payment information and click "Pay Now."
9. Your Registration is now complete, and you will receive an email confirmation.
